

Youth Theatre Spring - Summer 2020

Story Telling with The Story Museum

This Spring is an extended project running until May.

Young people will work with project leaders and visitors from OYAP and The Story Museum to devise a piece which will be performed at 'The Woodshed', the new performance space at The Story Museum in May. All participants will also be given support to achieve a Bronze Arts Award where appropriate.

Please note you are signing up for the whole extended project. There will be a shorter summer youth theatre project. Fees reflect these different lengths.

			Juniors	Seniors
